waiting patiently for you, because I love you
true. Yes, indeed, I do. So, honey, come out
tonight, among the everglades. We'll see,
we'll see the moon, the moon and how she
prominades. You're the queen of all the

unsophisticated you, you you.

First you put your two knees close up tight.
Then you swing it to the left and swing it to

your loving arms way out in space. Do the
eagle rock with style and grace. Put your
right foot out and you bring it on back. And
 that's what we call the ball in the jack.

ABIONG.

BARGES

Chorus:

Barges, I would like to go with you,
I would like to sail the ocean blue.
Barges, have you treasures in your hold?
Do you fight with pirates brave and bold?

–

Out of my window looking in the night,
I can see the barges flickering light.
Silently flows the river to the sea,
As the barges go by silently.

Chorus

Out of my window looking in the night,
I can see the barges flickering light.
Starboard shining green and port is shining
red,

I can see the barges from my bed.

Chorus

Out of my window looking in the night,
I can see the barges flickering light.
Anchors start to pull and engines start to
roar,

As the barges pull away from shore,

Chorus

Out of my window looking in the night,
I can see the barges flickering light.
Stars are brightly lighting up the sky,
As the barges seem to skip right by.

Chorus

Out of my window looking in the night,
I can see the barges flickering light.
Taking their cargo out into the sea,
How I wish someday they'd take me

Chorus

How my heart wants to sail away with you,
As you sail across the ocean blue.
But I must stay beside my window clear,
As the barges sail away from here.

belongs across my face
I keep it very close to me in the most
convenient place
I'm sure you wouldn't guess it if you
guessed a long while
So I'll take it out and put it on
It's a great big brownie smile

BUG JUICE

Tune: On top of Old Smokey
At the camp with the Girl Scouts, they gave
us a drink.
We thought it was Kool-Aid, because it was
pink.
But the thing that they told us, would've
grossed out a moose,
For that great tasting pink drink, was really
bug juice.
It looked fresh and fruity, like tasty
Kool-aids,
But the bugs that were in it, were murdered
with Raid.
We drank it by the gallons, we drank it by
tons,
And the next morning, we all had the runs.
So, next time you drink bug juice, and a fly
drives you mad,
He's just getting even, 'cause you
swallowed his Dad.

CAMPFIRE SONG

C-A-M-P-F-I-R-E S-O-N-G!
C-A-M-P-F-I-R-E S-O-N-G!
And if you think we can't sing it fast
Then you're wrong!
But it'll help if you just sing along!

COTTAQUILLA

I gotta home in Cottaquilla, you got one too.

Oh lordy

I gotta home in Cottaquilla, you got one too.

I gotta home in Cottaquilla, you got one too.

Look away beyond the blue ridge
mountains.

(Repeat with all the cabins: Sherwood,
Fourwinds, Deepwoods, Huckleberry,
Havens)

COUNTRY ROADS

Almost heaven, West Virginia

Blue Ridge Mountains, Shenandoah River

Life is old there, older than the trees

Younger than the mountains, growin' like a
breeze

Country roads, take me home

To the place I belong

West Virginia, mountain mama

Take me home, country roads

All my memories gather 'round her

Miner's lady, stranger to blue water

Dark and dusty, painted on the sky

Misty taste of moonshine, teardrop in my
eye

Country roads, take me home

To the place I belong

West Virginia, mountain mama

Take me home, country roads

I hear her voice in the mornin' hour, she
calls me

The radio reminds me of my home far away

Drivin' down the road, I get a feelin'

That I should've been home yesterday,
yesterday

Country roads, take me home

To the place I belong

West Virginia, mountain mama

Take me home, country roads

Country roads, take me home

To the place I belong

West Virginia, mountain mama

Take me home, country roads

DA' MOOSE

Da' Moose, Da' Moose

Swimming in da' wata'

Eating his suppa'

Where did he go?

He went to sleep.

He went to sleep.

Dead moose, dead moose.

Floating in da' wata'

Not eating his suppa'

Where did he go?

He de-com-posed.

He de-com-posed.

DESPERADO

There was a desperado from the wild and
wooly west. He came from Colorado just to

give the west a rest. He wore a big
sombrero and two guns across his chest,

and everywhere he went he gave his
warning. [CHORUS: He was a big, bold
man, he was a desperado, from Cripple

Creek way down in Colorado. And he
horsed around like a big tornado and

everywhere he went he gave his warning.]

He went to Coney Island just to take in all
the sights. He saw the hoochie coochies

and the girls in purple tights. He go so darn
excited that he shot out all the lights, and

everywhere he went he gave his warning.

[CHORUS]

There was a desperado just a strolling down
the street. There was a big policeman just a

shuffling on his feet. He grabbed him by the
collar, and he grabbed him by the seat. And

threw him where he couldn't give his

warning. [CHORUS]

DOWN BY THE BANKS

Down by the banks of the hanky panky
Where the bull frogs jump from bank to
bank

With an eep opp oop opp
At least I didn't go kerplop

FARE THEE WELL

Fare thee well, Luck go with thee
When I'm far remember me

FAREWELL

Tune: Auld Lang Syne

The time has come to say farewell
But we'll recall this day
And friendships made or here renewed
Will go with us on our way.
To part does not mean to forget
And we shall meet again
Another time, another place
To join hands friend to friend.
Now here's my hand
My Girl Scouts friend
And give your hand to mine
We'll make a chain of friendship true
And all our hopes entwine.
True Girl Scouts we will not forget
You in our hearts remain
Another time, another place
We'll join hands once again.

GIRL SCOUT ALPHABET

She wears a G for Generosity. She wears
an I for Interest, too. She wears an
R for Real Life sportsmanship. She wears

She wears an S for her sincerity. She wears
a C for Courtesy. She wears
An O-U-T for Outdoor life, outdoor life. And
that Girl Scout is me.

GIRL SCOUTS TOGETHER

Girl Scouts together, That is our song.
Winding the old trails, rocky and long.

Girl Scouts together in every good deed.

Girl Scouts together, Happy are we.
Friendly to neighbors far o'er the sea;
Faithful to country, loyal to home,
Known as true Girl Scouts wherever we
roam.

GREASY GRIMY GOPHER GUTS

Great green globs of greasy grimy gopher

LITTLE CABIN IN THE WOODS

Come on rabbit, come inside
Safely to abide

LITTLE CANOE

swim.
So whatcha gonna do, in a little canoe

She didn't know what to do, so she stopped
in front of me
And said, "hey girl, do your thing, do your
thing now switch"
"Hey girl, do your thing, do your thing now
switch"

MAGIC

When I was young I thought the stars were
made for wishing on
And every hole deep in a tree might hide a
leprechaun
Old houses all had secret rooms, if one
could find the key
I do believe in magic, I believe

Magic is the sun that makes a rainbow out
of rain
Magic keeps the dream alive to try and try
again
Magic is the love that stays when good
friends have to leave
I do believe in magic, I believe

Growing up the grown-ups said someday I'd
wake to find
That magic's just a childhood dream I'd
have to leave behind
Like clothes that would no longer fit and
toys that I'd ignore
I'd not believe in magic anymore

Magic is the sun that makes a rainbow out
of rain
Magic keeps the dream alive to try and try
again
Magic is the love that stays when good
friends have to leave
I do believe in magic, I believe

Now that I am grown I found that much to
my surprise
The magic did not fade away, it took a new
disguise
A child, a friend, a smile, a song, the
courage to stand tall
I do believe in magic, after all

Magic is the sun that makes a rainbow out
of rain

Magic keeps the dream alive to try and try
again
Magic is the love that stays when good
friends have to leave
I do believe in magic, love's the greatest
magic
I do believe in magic, I believe

MAIL SONG

Here's the mail that never fails
It makes me want to wag my tail
When it comes I want to wail
MAIL!!!

MAKE NEW FRIENDS

Make new friends, but keep the old.
One is silver, and the other is gold.
A circle is round, it has no end.
That's how long, I want to be your friend.
A fire burns bright, it warms the heart.
We've been friends from the very start.
You have one hand, I have the other.
Put them together, and we have each other.
Silver is precious, gold is too.
I am precious and so are you.
You help me and I'll help you, and together
we will see it through.
The sky is blue, the Earth is green
I can help to keep it clean.
Across the land, across the sea
Friends forever we will always be

MISSISSIPPI MUD

Sun goes down, tide goes up, people gather
round and they all begin to shout.
Hey, Hey Uncle Judd, it's a treat to put your
feet on the Mississippi Mud,
it's a treat to put your feet on the Mississippi
Mud.

You should see the things they do, lordy
how I'm telling you!
Hey, Hey Uncle Judd, it's a treat to put your
feet on the Mississippi Mud,
it's a treat to put your feet on the Mississippi
Mud.

I'm southern born and southern bred, and
when I'm gone I'll be southern dead, Y'all.

OLD LADY LEARY

Late last night while we were all in bed, Old
Lady Leary left a lantern in the shed.
And when the cow kicked it over, she
winked her eye and said, it's gonna be
a hot time in the old town tonight. Fire! Fire!
Fire! Pour out water! Pour out water!
Save my children! Save my children! Jump
lady, jump! Huh! Ahhhhh, splat!

ON MY HONOR

Chorus: On my honor, I will try,
There's a duty to be done and I say aye.
There's a reason here for a reason above,

My honor is to country and my duty is love.

1. People don't need to know my name if I
do any harm, then I'm to blame,
When I help another then I help me,
If I've opened up my eyes to see.

2. I've tucked away a song or two
If you're feeling low there's one for you,
When you need a friend I will come and
There's many more where I come from.

3. Come with me where a fire burns bright,
We can even see better by a candle's light,
We find more meaning in a campfire's glow
than
We'll ever learn in a year or so.

4. We've made a promise to always keep
And to pray "Softly Falls" before we sleep,
We'll be Girl Scouts together and when
we're gone, we'll still be trying to sing this
song

ON TOP OF SPAGHETTI

On top of spaghetti, all covered with
cheese.
I lost my poor meatball, when somebody
sneezed.
It rolled off the table, and onto the floor.
And then my poor meatball, rolled right out
the door.
It rolled in the garden, and under a bush.
And then my poor meatball, was nothing but
mush.
The mush was as tasty, as tasty could be,
An early next summer, it grew into a tree.
The tree was all covered, with beautiful
moss,
It grew lovely meatballs, and s'ghetti sauce.
So if you eat spaghetti, all covered in
cheese,
Hold on to your meatball, and don't ever
sneeze.

OOM PLUCKA PLUCKA

She sat on a hillside and strummed her
guitar
Strummed her guitar, strummed her guitar
'She sat on a hillside and strummed her
guitar

Chorus: Strummed her gui-ta-a-a-ar Oom,
plucka, plucka
Oom, plucka, plucka, Oom pluck pluck
PLINK!
Oom, plucka, plucka, Oom, plucka plucka,
Oom pluck pluck PLINK!

He sat down beside her and smoked his
cigar
He said that he loved her but oh! How he
lied
They were to be married but somehow, she
died
He went to her funeral but just for the ride
He sat on her tombstone and laughed 'til he
cried
The tombstone fell over and squish-squash
he died
She went up to heaven and flittered and
fied
He went down below and sizzled and fried
The moral of this song is never tell lies!

OUR CHALET

High up, high on the mountain
We founded Our Chalet (repeat both lines)
Its sloping roof and wide shall shelter
us without a care,
And each Girl Scout and Guide shall find a
welcome there.

High up, high on the mountain
We'll go to Our Chalet (repeat both lines)
Our simple life is free, our hearts are light,
our songs are gay.
We ever shall remember
The joys of Our Chalet

High up, high on the mountain
We founded Our Chalet (repeat both lines)
And this its dedication shall never fail nor be
undone
Each race, each creed, each nation
Beneath its roof are one

PERCY THE PALE FACE POLAR BEAR

Way up north in the ice and snow, where the temperature drops to 40 below.

Who's the happiest bear up there? Percy the Pale Face Polar Bear.

Sleeps all day and then at night catches fish by the pale moonlight.

Has no worries, has no cares. Percy the Pale Face Polar Bear.

Then one day the hunters came, caught poor Percy by the snout.

Put him in a great big cage. Percy howled and he growled but he couldn't get out.

Now he's living in the zoo, funny thing is he likes it too.

Cause he met his girlfriend there. And she likes Percy the Pale Face Polar Bear.

Who? Percy the Pale Face Polar Bear.

I wear my pink pajamas in the summer when it's hot.

I wear my wooly nighties in the winter when it's hot.

I jump between the covers with nothing on at all.

Glory, glory, hallelujah. Glory, glory, what's it to ya?

Balmy breezes blowing through ya.

Great Spirits call Girl Scouts to rest

We've had our work. We've had our play;

And we have lived the true scout way

Each day we've done some new good turn

Someone to help, not praise to earn

We've done our best in all we do

And now we sing our pledge to you

(Raise hand in 3 finger salute)

Upon my honor I will try

To do my duty to God on high

To help all other people out,

And obey the law of a true Girl Scout

THE MORE WE GET TOGETHER

The more we get together,

Together, Together;

The more we get together

The happier we'll be.

'Cause my friends are your friends

And your friends are my friends

The more we get together the happier we'll
be.
